NEXT MEMBER'S
MEETING
Thursday 25th
February 2021
at the Cromer
Community Centre,
Fisher Road North,
Cromer.

NEXT COMMITTEE
MEETING
4th March 2021 at
Angie's house at
7.30pm

www.orchidsociety.com.au

President's Report:

As I sit here just hours after the late Garry Williams auction I am still impressed with the effort put in by everyone concerned making it a raging success - thank you to everyone! Garry and Harleen's family put in a huge effort as well and were very happy with the result. We probably had the biggest roll up for years and they were prepared to help a great cause.

Our last meeting was well attended and I hope that we have turned the corner regarding covid. We have another busy year planned and fingers crossed that it happens. See you at the February meeting

This month we will have a cultural session again. Feel free to bring in any ailing plants for our 'plant doctors' to diagnose.

SALES TABLE will be open for business as usual. Dylan will now run the sales table.

LIBRARY will be open for business as usual.

MEMBER'S AUCTION 18TH APRIL 2021.

Grower's Sheets will need to be returned by 28th February.

REGULATIONS FOR MEETING

Do not come to the meeting if you are feeling unwell.

Sign in on the form provided with your name, telephone number and time in and then note time as you go out. There will be a QR code but you will still need to sign in on the sheet provided for our records.

Observe social distancing – 1.5metres. Masks are recommended but not compulsory.

Sanitise your hands with your own sanitiser or the one provided.

At the end of the meeting wipe chairs with the sanitiser wipes provided and place chairs on the trolley.

Help out with wiping down the tables.

DIARY DATES 2021

February 25th Member's Meeting
March 25th Member's Meeting
April 18th AUCTION
April Member's Meeting (Collaroy Plateau Hall)
May 5,6,7 Winter Show @ Glenrose
May 27th Member's Meeting
June 24th Member's Meeting
June 26,27 Mingara Orchid Show & Fair
July 22 Member's Meeting
August 5,6,7 OBTS Show @ Glenrose (nb This show will be scaled down to suit the venue)
August 13,14,15 St. Ives Orchid Fair
August 26 Member's Meeting
September 16,17,18 Spring Show @Glenrose
September 23 AGM and Member's Meeting
October 28 Member's Meeting
November 14 Auction
November 25 Member's Meeting
December 5 Christmas Party
December 16 Member's Meeting

VALE.

A well known and respected orchid grower Geoff Stocker passed away early this month in North Queensland. Geoff specialized in Papua New Guinea Orchids and ran a small nursery at Malanda which is a one and a half hours drive from Cairns. Many of you would have seen Geoff with Phil Spence at the Mingara Orchid Fairs over the years.

JANUARY BENCHING POINT SCORE 2021

OPEN DIVISION

1. Sarcophilus Hybrid	0 Plants
2. Australian Native Hybrid	0 Plants
3. Australasian	3 Plants
1. Den. engae x Den johnsoniae	A. Sulfaro

Species grown by S. Torrisi

Stanhopea inodora

Found growing in the humid wet forests of Mexico, Belize and Nicaragua, this *Stanhopea* grows well in Sydney's climate if watered well through the warmer months. The species name *inodora* refers to its lack of scent, although this plant did have a noticeable perfume.

Specimen grown by C. Polis

Dendrochilum yuccafolium

A *Dendrochilum* that presents its flowers well, this one comes from the Philippines at elevations around 500m above sea level in humid, wet forests. As they all do, this one seems to be doing very well in a waterwell pot.

Hybrid grown by A & G. Cushway
Paphiopedilum Temptation
 A primary hybrid between *Paphiopedilum kolopakingii* and *phillipinense* it has inherited the more desirable traits of both to produce a superior multifloral plant, with intricately detailed and strikingly coloured flowers.

Novice grown by P. Johnson
Phalaenopsis Unknown
 Another great *Phalaenopsis* from Penny, a large plant with stacks of flowers and an incredibly vibrant purple colour. As has become customary most months, there was a great display and variety of these plants in the novice section.
