**NEXT MEMBER'S
MEETING**
Thursday 24th June at
the Cromer
Community Centre.

**NEXT COMMITTEE
MEETING**
1st July 2021 at
Angie's house at
7.30pm

www.orchidsociety.com.au

ANNUAL FEES ARE DUE 1ST JULY. You may pay at the meetings, by cheque or direct deposit into the bank account. Please leave your name as reference. BSB 062 155. Account number 00906498. Family \$18, Single \$15 and \$10 postage if you have your bulletin mailed to you.

Unfortunately due to circumstances beyond our control we have had to cancel the 2021 St Ives Orchid Fair. We were hopeful of holding it this year, but the decision was taken out of our hands.

Looking forward to a better 2022 and hoping to see you there then.

Keep safe & well

Lesley Bromley St Ives Committee Person.

President's Report:

I hope everyone's plants are surviving the cool weather, I know I have a couple that are struggling.

It was great to have supper at the last meeting, it seems like we are almost back to normal but of course that can change quickly.

We have a bark order coming soon, we will need people to collect their order when it arrives and possibly some help unloading the truck. More details will be provided.

Lastly and most importantly I must repeat the request for someone to step forward and take on the Treasurer's role. We must have this role filled under our constitution. You do not have to be an accountant and you will get plenty of support. Regards Guy

GUEST SPEAKER: Garrie Bromley will be our Guest Speaker this month. Garrie will give his talk on how to groom your plants ready for the show bench. This is a good opportunity to brush up on your skills and get the best out of your plants.

SUPPER : Thank you to those members who brought in something for the supper table. This month's volunteers are Nancy Macri and Tony Maclure for something savory and Gloria Cushway for something sweet. It was such a good feeling getting back to our normal meetings. Hope you all feel the same way.

DON'T FORGET THAT THE MINGARA ORCHID SHOW AND FAIR IS ON SATURDAY 22ND AND SUNDAY 23RD OF THIS MONTH.

REGULATIONS FOR MEETING

Do not come to the meeting if you are feeling unwell.

Sign in on the form provided with your name, telephone number and time in and then note time as you go out. There will be a QR code but you will still need to sign in on the sheet provided for our records.

Observe social distancing – 1.5metres. Masks are recommended but not compulsory.

Sanitise your hands with your own sanitiser or the one provided.

At the end of the meeting wipe chairs with the sanitiser wipes provided and place chairs on the trolley.

Help out with wiping down the tables.

BARK ORDER

The bark order has been put on hold for the time being as some key members will not be available to help take delivery of the order which needs to be unloaded from the truck, sorted into orders etc. If anyone is available on any Wednesday to help please let Tinka know. At this stage looks like 30th June will be delivery. I will keep you posted.

IMPORTANT NOTICE – SALES TABLE

Members please note that the sales table will only operate before the meeting and then close. There will be no sales during the supper break.

THIS PLANT OF LAELIA ANCEPS WAS LEFT BEHIND AT THE GLENROSE WINTER SHOW. NO LABEL, NO NAME. IS IT YOURS?

SPECIES & SPECIMEN OF THE EVENING

Isabeila virginalis - Grown by Cary Polis

This is a small Brazilian genus with only a single species that florally resembles *Laelia* and vegetatively resembles *Maxillaria*.

It is a small sized, creeping, epiphytic, cool to hot growing species growing in debris filled crevices on eroded sandstone outcroppings with a basket-like weave of fibers covering the clustered, ovoid-globose pseudobulb with a single, apical, erect, needle like, curved and flexuous, blunt leaf, that is best mounted on tree fern slabs so that it will bloom on a short, terminal inflorescence with a spathaceous bract, that has 1 or 2 waxy, long-lived, *Cattleya*-like flowers occurring in the late fall and winter. (Orchid Species Encyclopedia)

HYBRID OF EVENING – Rlc. Dream Trader ‘Colossus’ - grown by Gloria and Allan Cushway.

Brassolaeliocattleya Dream Trader is an orchid hybrid originated by G.J. Williams in 1990. It is a cross of *Rlc. Sylvia Fry* x *C. Horace*.

Award:	AM/AOC 2000 (QLD)
Points:	81.20
Date:	26.Jun.2000

NOVICE OF EVENING - *Phalaenopsis* unknown- grown by Sue Anderson.

Well done Sue, beautifully grown.
