President's Report.

Last month our guest speaker, Steve Dunstan, gave us a wonderful presentation on the Latouria Dendrobiums, showing the various species, hybrids, their requirements and culture. I for one, was motivated to maybe give them another go, having had very little success in the past. There was another excellent benching which made for a fine display. We even had an unexpected visitor, young Harry, who came down all dressed up for volleyball, and seeing that volleyball wasn't on, decided to stay for the meeting. He stayed for supper and the talk and even helped to put the tables and chairs away. You never know, he might turn up this month. Maybe we could even get him to join. This month we will have a culture/plant description session. Don't forget that show season is fast approaching so you should be preparing your plants for this. See you at the meeting.

GUEST SPEAKER: There is no guest speaker this month so we will be having a culture/plant description.

SUPPER ROSTER Thank you to last month's volunteers and helpers for your contribution. It was a really great spread last month and as May is Australia's Biggest Morning Tea a similar spread would be wonderful. Mel James has offered to help Penny with the supper clearing up. Many thanks to you Mel.

On the roster this month is Gloria Cushway and Nancy Macri.

AUSTRALIA'S BIGGEST MORNING TEA. We host this event annually and ask our member's to give generously for this worthy cause. If you require a receipt for tax purposes please see Guy.

ORCHIDS OUT WEST @ Hawkesbury Showground. 17,18,19 MAY

This is the first big show where you will have the opportunity to see great displays and buy plants and supplies from the vendors.

Sign in and benching tickets will all be at the back of the hall on the small table. Tricia will be at the table to assist.

WINTER SHOW @ HOME CO (SUPERCENTRE, BELROSE). 21,22,23 JUNE.

This is our first show of the year and we need your flowering plants for our display and it is a good opportunity to sell off some of your excess plants. Please make sure your display plants are groomed ie clean and free from nasties and well established in the pots. Any plants not up to standard will be rejected by the Show Marshal. As always we need helpers with sales and security and to talk to people. If you can spare a half day or more that would be really appreciated. We oldies are getting tired quickly now and sometimes all day is exhausting. Set up is on Thursday 20th June from 3pm and benching will commence at 4pm to 6pm when judging will take place.

Please note that the Championship prize money has been increased. Minor places will stay the same.

To the Members

I have decided to stand down as Secretary in September 2025 and am seeking a replacement. I hope to have plenty of time to instruct a new secretary to the duties and responsibilities of this position. I also do the monthly bulletin so an extra person is needed to step up to the plate. The auction is another job and should be done by another person. Please contact me if you would like to do any of these jobs. Tinka (So far there has been no response)
